

WHERE'S THE MONEY?

Is your company short on resources? We have received an allocation of funding through various state and federal programs, allowing us to offer you PAID INTERNSHIPS*.

As a business owner you have an incredible opportunity to motivate individuals and cultivate tomorrow's skilled productive workforce. Bring specific skills to fruition in a new trainee and free up your staff for other important tasks.

There are many pre-screened, skilled candidates to choose from – those seeking their first job to those with their advanced degree.
