

PharmaJet, Inc.
Golden, CO

PharmaJet, Inc. is an early-stage, privately held, Delaware Corporation, domiciled in Golden, Colorado, that has recently received FDA and ISO certifications for its innovative needle free injection system. Certified for delivery of all liquid meds and vaccines, the company is launching its commercial effort focused initially on global vaccine programs. For more information on the Company and its products, please visit www.pharmajet.com.

PharmaJet is seeking an in-service education coordinator to thoroughly learn the technology, applications and use, and to seamlessly and successfully transfer that product use knowledge to staff of new clients .

The Company is looking for a Registered Nurse, preferably with a bachelor's degree, with solid nursing experience and ideally with some teaching or in-service background. Tasks will include, but are not limited to:

- Reviewing and upgrading current training protocols
- Conduct on-site training to clients, and be present during the clients first few days of use.
- Represent the Company in a very professional, yet friendly and empathetic manner
- Attend trade shows that the Company will participate in
- Create and implement a departmental staffing ramp-up based upon sales forecast
- Be first responder to clinical telephone inquiries and questions from customers and prospective clients.

Travel in the initial 12 months may be varied and extensive, and will include both domestic and international travel, including travel to some emerging nations. The successful candidate must be able and willing to travel, without personal encumbrances.

Travel will abate as additional staff is hired and supervised.

The position is full time and will be based in Golden, Colorado, and offers:

- Competitive salary
- Full benefits
- EEO/M/F

For more information, please contact Kathy Callender at callender@pharmajet.com or Dick Hansen at hansen@pharmajet.com.
